## Schedule of Fees for Business Express Bundle Accounts

*This Master Schedule of Fees consolidates Business Accounts, Business Express Bundle Accounts, and Business Elite Checking Bundle Accounts.  
Fees may vary by account type.*

## Schedule of Fees for Business Express Bundle Accounts

This Schedule of Fees ("Schedule of Fees") applies to Business Express Bundle Accounts. Fees in this Schedule of Fees are per item or per occurrence unless otherwise noted. The Schedule of Fees lists the services and fees included in the Business Express Bundle, as well as separate General Service Fees not part of the Bundle.

New Business Express Bundle Accounts will not be assessed any Business Express Bundle fees for the first 6 statement cycles ("Promotion Period"), as long as (1) an average collected monthly balance of \$15,000 or more is maintained during each statement cycle in the Business Express Bundle Account, or, (2) if the Business Express Bundle Account is linked to non-interest bearing account(s) and the combined non-interest bearing account balance is \$15,000 or more. This balance requirement will be evaluated each statement cycle. If the average collected balance for a statement cycle is less than \$15,000 during the Promotion Period the account will be assessed the Business Express Bundle Account Fees, the Business Express Bundle Service Fees and the General Service Fees for that statement cycle. Existing BankUnited accounts transferring into the Business Express Bundle account are not eligible for the Promotion Period. After the expiration of the Promotion Period, all relevant fees will be assessed in accordance with this Schedule of Fees.

For information about fees, rates and other services not covered in this Schedule of Fees please contact us. We may change the fees and services described in this Schedule of Fees from time to time. You will be notified of any changes in accordance with the terms and conditions set forth in our Depositor's Agreement. Please note that fees for your account may be different than those listed in this Schedule of Fees based on your overall relationship with us.
