Dear Katrina,

Thank you for BankUnited, N.A.'s recent gift to Enterprise Community Partners, Inc. This gift supports our vision of a country where home and community are stepping stones to more. This is extremely important work, and we are so grateful for your support.

Over the past four decades, Enterprise has invested $72 billion and created or preserved 1 million homes across all 50 states. Remaining true to our mission, we focus our efforts on the greatest need – the massive shortage of affordable rental homes – to increase the supply of affordable homes, advance racial equity after decades of systemic racism in housing, support residents and strengthen communities to be resilient to the unpredictable and make upward mobility possible. Our work today – and your support – is more important than ever.

On behalf of Enterprise and all the people we serve, thank you again.

Sincerely,

Dee Falvo
