An excessive transaction fee will be assessed for each of these withdrawals or transfers over the limit. If this limit is exceeded on more than an occasional basis, your account could be closed or converted. Please see our Depositor's Agreement for additional information.

<sup>2</sup> Fees may be applicable to overdrafts caused by checks, withdrawals or electronic transactions. Fees subject to change without notice. Special services may result in additional fees. An Insufficient or Uncollected Funds Fee, as applicable, will be charged each time an item is presented when your account does not have sufficient funds, whether or not we pay the item. Thus, you may be charged multiple Insufficient or Uncollected Funds Fees in connection with a single item that has been presented and returned for insufficient funds multiple times.
