MetLife's goal is to establish consistency in the selection and retention of providers in its networks. The decision to accept or retain a provider is based on all available information, including, but not limited to, information contained on the application and obtained through re-evaluation processes, such as licensure, malpractice or sanctions history, and other relevant information.

The information contained in this provider directory is supplied by the individual provider and is subject to regular audits by MetLife.

The provider information contained in this directory is reviewed and updated on a continual basis, and therefore is accurate as of the date of this printing. For the most updated information regarding our providers, please visit the Find A Dentist feature at [www.metlife.com](http://www.metlife.com) or call 1-800-880-1800.

If you are already a patient at a facility that is listed as closed, you may not have to change dentists. However, it is important that you contact Customer Service to ensure that you can continue using your current facility under the plan.

Any languages spoken in offices indicated in this search are self-reported. If you need interpretation services and are enrolled in a Dental HMO/Managed Care Plan, please call 1-800-880-1800. Preferred Dentist Program (Dental PPO) enrollees should call 1-800-942-0854. For CA residents, these language assistance services are available to you at no additional cost.
